As Human Capital Solutions Manager for The Ayers Group, Marie Sweeney-Thornton is responsible for providing guidance to organizations in need of customized talent solutions. In this role, Marie focuses on accelerating growth through organizational change by leveraging insights regarding the world of work. She delivers programs and manages client relationships through collaborative partnerships, allowing for optimized business results.

Marie joined The Ayers Group in 2013 and has held several positions within the organization, most recently as the Marketing Lead for Talent Advisory Services. The natural intersection between marketing and human capital management has allowed her to successfully deliver numerous engagements including many driven to define and improve client employer value proposition.

Marie is certified in the Hogan Suite of Assessments and holds a BA in Communications from Marist College.

The Ayers Group helps companies adapt to change through guidance on various issues pertaining to human resources and organizational development. The industries we serve represent all the major Fortune 500® categories. We work with clients to enhance their ability to remain competitive in today's challenging business environment. The Ayers Group is headquartered in New York City and through its partnership with Career Partners International (CPI), The Ayers Group/CPI is able to provide services globally.

The Ayers Group was acquired by Kelly Services in 2006 and is part of the Outsourcing and Consulting Group (OCG). KellyOCG is the leading global advisor of talent supply chain strategies, aligning talent strategy to business strategy across all internal and external worker categories. We connect talent and business together in a way that advances careers and business goals alike. Further information about KellyOCG may be found at [www.kellyocg.com](http://www.kellyocg.com).
